Foreword

Inadequate as we realize our record must be, we have never abandoned our hope and ideal. When memories are dim may this Annual recall the fleeting recollections and renew our allegiance to Albion High.

To
Minnie Eleanor Krotzer

One who has never ceased
her efforts for the betterment of not only the class of 1926, but moreover for the general welfare of A. H. S. We affectionately dedicate this
Annual.

ALBION HIGH SCHOOL

The Board of Education

The Board of Education is composed of six members elected for a term of three years, the term of office of two expiring each year. Nominations for the office are made by petition and elections occur the second Monday in July at the time of the annual meeting.

The present board is composed of four men and two women:

Mr. Alvin Dice, President of the Board

Mrs. D. R. Ramsdell, Secretary

Mrs. F. J. Northwood, Treasurer

Dr. Chauncey, Fred Brown, and C. E. Marsh.

They meet as a board twice each month, to audit bills, pass on recommendations of the superintendent and conduct such other business as comes under their jurisdiction.

They are the court of last appeal in all cases pertaining to the schools and all matters not delegated by them must have their sanction before it is legally effective.

As representatives of the people and intrusted with the problem of maintaining a good school system, the board faces many difficult situations. They must employ competent and desirable teachers, but they must not increase the tax levy. They must keep the buildings and grounds in good condition and at the same time be economical. They must see that the course of study is kept up-to-date and proper text books selected but they must not follow after fads and frills nor change books too often. They must be amenable to public opinion without being swayed by every breeze of gossip. They must discriminate between the chronic fault finder and the person with an honest grievance. They must give of their time and thought freely not for compensation but because they have the community interest at heart.

These virtues have been in a very large measure exemplified by the present board, and the pupils, teachers, and patrons feel that in the board they have friends and advisors who care more for justice than popularity.

MR. DON HARRINGTON, Superintendent

To Mr. Don Harrington, our superintendent who has done much in advancing the school activities, we pay our hearty appreciation.

MR. WILLIAM HARTON, Principal

Mr. Harton, in the capacity of principal, has constantly kept paramount the interests of the school. Through his efforts the Student Council has become a valuable asset both in voicing the students' needs and in introducing new systems into the school. The aid which he has rendered the Breeze staff is also highly appreciated. In encouraging better discipline and in furthering the best interests of the school, Mr. Harton has gained the respect of the students.

MISS BELLE PRATT, Assistant Principal

As the assistant principal and advisor of the Girls' League, Miss Pratt has worked conscientiously and well. "Service not self" has truly been her motto and she has gained the sincere friendship of the student body.

In Memoriam

Miss Alice Spence, supervisor of health education, in the Albion Public Schools, died at Sheldon Memorial Hospital, April 5, following an accident on South Huron street crossing, Michigan Central railroad, where her auto was struck by a west bound passenger train.

Although Miss Spence had served the Albion schools a brief seven months yet during that time she had by her kindly disposition, untiring effort, and spirit of service endeared herself to teachers and pupils alike. She exemplified the spirit of Albion schools "Education for Service not for Self." Her mission was one of loving ministration. She went about "doing good." She spent herself unstintedly and unselfishly upon the many-sided interests of our city schools. Many a home and many an ailing child will miss her daily calls and kindly help.

Her untimely death has cast a shadow over all.

The South Central Michigan High School Athletic Association

President.....Principal W. C. Harton, Albion
Secretary.....Principal E. G. Rose, Hillsdale

The South Central Michigan H. S. A. A. is made up of the nine leading class "B" high schools in this section of the state. The organization was formed in the fall of 1924 and since that time awards have been made to the leaders in each sport. However, no award was made last year to the baseball winners although Albion was leading in the title race when the season was closed. Summaries follow:

Coach Dan Fisher

Coming to Albion high directly after receiving his degree from Albion college in June, 1924, Coach Fisher took up his duties as athletic director of the local institution in the fall of the same year.

Previous to attending Albion college during his senior year Mr. Fisher attended the Central Missouri Teacher's college for three years before coaching two seasons at Smithville, Missouri.

Facing the problem of developing winning teams from green material in all three major sports Coach Fisher immediately set about to build winning combinations and the showing made by his teams was little short of remarkable.

At the start of his second year at the local prep school the Albion mentor found his prospects in football were still far from experienced but in spite of the over-abundance of green material on the football squad Coach Fisher collected a team that won three contests, lost four and tied one against the strongest opposition in this section of the state.

In basketball the Red and White athletes prospered under the tutelage of Dan, winning nine games and losing seven.

The baseball season has been one of the best ever experienced by a local school. With eight veterans available for service Coach Fisher wielded a team together that, previous to this writing, had been undefeated in the six games played. Victories had been won over Battle Creek twice, Hillsdale twice, Marshall once, and Sturgis once, all by comparatively large scores.

It is not known at this time whether or not Dan will return to Albion next year but local followers of the high school teams are sincere in their hopes that he will.

1925 FOOTBALL SQUAD

Back row—Ott, Garfield, Cure, Densmore, Henderson, Watson, L. McAuliffe, Behling, Miller. Middle row—Osmun, Bundy, Oder, Steebe, McCarty, Culver, Penzotti, H. Hoaglin, Coach Fisher. Seated row—Ludlow, A. Philp, Herriff, G. Thwaites, Captain Cole, Christensen, White, D. Hoaglin, Shepard.

Football

Albion high's 1925 football season was a success from every point of view. The Fishermen rolled up a record of three wins, four losses and one tie game. Two of the four losses were suffered at the hands of class A opponents while the other defeat was administered by Hastings, winners of the football championship of the South Central Michigan high school athletic association.

The first game of the season resulted in a tie. Sturgis furnished the opposition in the initial encounter and during the game the Albionites lost several chances to score while keeping the southern Michigan gridders far from the goal.

Presenting an entirely different appearance in their second game the Fishermen sprung a surprise and all but defeated Battle Creek. Early in the game Watson put his team in the lead with a field goal and with three minutes left to play the Crickets had had no chance to score but just when victory was within the grasp of the Red and White gridders a twenty-five yard penalty given Albion for back blocking put Battle Creek within striking distance of the goal and just as the final whistle blew the Food City fullback crashed over the goal line for a counter upsetting the Fishermen and taking away a victory they so richly deserved.

Confident as a result of their splendid showing against the Battle Creek team the local athletes went to Hastings in an effort to register their first win of the season but their hopes were given a rude set-back at the hands of the Naglermen to the tune of 9-0.

Staging a complete come-back the Fisherites easily overcame Hillsdale, administering the first shutout of the year to the 'Dales and emerging victorious 19-0.

Doped to lose by a big margin Coach Fisher's charges invaded Charlotte and upset all the dope by completely out-classing Coach Holtz's men, putting over two field goals and a touchdown to win 13-0.

Albion's sixth game of the season was to have been played on the Jackson county fair grounds with Jackson high but when both teams had assembled at the field preparatory to the combat it was found that the frozen condition of the ground made the playing of the contest impossible and since the schedules of the respective schools was filled the game was cancelled and for the first time in many years Albion and Jackson did not meet in football.

The game with Coldwater here proved to be a good workout for the Albionites and when the Branch county seaters had gathered their remains together following the game it was found that the Fishermen had romped over them to the tune of 27-0.

The annual Armistice Day game between Albion and Marshall was played before one of the largest crowds ever to witness a game on the Marshall field. During the course of the game Albion lost three chances to score, on each occasion the ball was lost on or near the goal line when the Albionites lacked the push to put the oval over. With the ball on the one yard line near the end of the game Albaugh, Marshall's speedy end, scooped up an Albion fumble and evading the entire Albion team the Marshallite raced 99 yards for a touchdown to defeat Albion 6-0.

The season was brought to a close at Toledo, Ohio, against the strong Libby high team of that city. The Albion crew proved to be no match for the heavier and more experienced Libby team and when the game was concluded Albion had suffered its worst defeat in years, losing 78-3.

Nineteen A's were awarded the gridders following the close of the season and at the same time a captain for next year's eleven was elected. Laurence McAuliffe, end on the team for the last two seasons, was chosen to lead the Red and White gridiron heroes through the 1926 season. The men to receive A's were Capt. Cole, captain-elect McAuliffe, Watson, Densmore, Herriff, Cure, Penzotti, Henderson, Bunday, Osmun, Behling, Ludlow, Garfield, Miller, Thwaites, Philp, Christenson, Buinowski and Oder. Of this number Cole, Densmore, Cure, Herriff, Watson, Penzotti and Henderson are seniors and will be lost to the team next year.

BASKETBALL SQUAD 1925-1926

Standing row—W. Cole, Stud. Man., N. Thwaites, Henderson, Hoaglin, Coach Fisher, Condon, Wagoner, Taylor, Coombes, Chauncey. Seated row—Ludlow, Sleight, Osmun, Capt. Penzotti, Garfield, Capt.-elect Behling, McAuliffe.

Basketball

Starting the season with five letter men Coach Dan Fisher built up a quintet that was feared by all its opponents and one that was never beaten until the final whistle. Previous to the start of the schedule Stanley Penzotti, star back guard on the 1924 five, was elected captain.

Tekonsha proved to be no match for the Fishermen in their first game and the locals rolled up a top-heavy score of 21-4.

Jackson high was not so easy and the first defeat of the season was suffered at its hands by a score of 31-6.

Sturgis, Class B champions of Michigan for the last two years, gave Albion its only defeat of the season on its home court by a decisive score of 25-11.

The biggest upset of the year was provided when the Fishermen dealt Battle Creek a set-back in an over-time game 28-23. The Food City team was no match for the local's attack and as a result the Red and White athletes won their first basketball game from the Battle Creek team in several years.

The Albionites barely missed being defeated when Charlotte threw a scare into the local camp by holding them to a 13-12 win.

Eaton Rapids proved to be easy meat for the Fishermen in the first engagement of the two teams. Albion's lightning passing attack smothered the visitors under a 21-3 count.

Marshall handed Albion another defeat at Marshall when the Fishermen journeyed there for a game. The Albion lads could not get started and a 28-19 loss resulted.

At Hillsdale the Fisherites were beaten for the second successive week, this time by a score of 25-15.

Charlotte for the second time in the season threw a scare into the Fishermen and their followers by holding them to a one point win at Charlotte, the Albion team winning 18-17.

Invading Battle Creek confident of their ability to come back with a win the Fishermen's hopes were severely jolted when the Crickets set them down by a score of 28-7.

Hillsdale again proved easy here in the next game, the Red and White preps winning 28-16.

Sturgis defeated the Fishermen for the second time of the year at Sturgis, this time by a score of 30-11, and clinched the title of the S. C. M. A. A.

Coldwater could do nothing against the air-tight defense of the Albionites and the locals won out 30-14.

In one of the most stirring games of the year Albion downed its bitter rival, Marshall, here 26-23, in a game that was not won until the last few minutes of play.

In the district tournament held in the Albion college gymnasium early in March the Fishermen drew Marshall as their first assignment and as fate ruled the Sagemen triumphed and Albion was eliminated from further title consideration.

The last game of the year was played at Coldwater and true to form the Fishermen triumphed after a hard fought contest by a score of 17-15.

BASEBALL SQUAD 1926

Standing row—H. Hoaglin, Keck, D. Hoaglin, Sleight, Lockwood, Coombs, Osmun, C. Hammond, Reed, Gilg, Ludlow, Weeks, Chauncey, W. Hammond, Shepard, Nass (Manager). Seated row—Garfield, McAuliffe, Cure (Capt.), Penzotti, Fisher (Coach), Watson, Herriff, Hunt, Behling, Oder.

Base Ball

With six games played at this writing Coach Fisher's baseball preps had yet to lose a game this season. This start is the best experienced by any school team in many years.

The Fishermen opened their schedule at Hillsdale by overwhelming the 'Dales and burying two pitchers under a barrage of base hits to win 17-2.

Two weeks later Battle Creek was met on Alumni Field and ere the game was completed the Albionites had hammered the offerings of Battle Creek's moundsmen for six runs while Behling was restricting the Crickets' total to two and the second successive win was recorded.

On the next Saturday Albion went to Battle Creek and Coach Fisher delegated Oder to oppose the Crickets. The nomination was a right one and while the Fishermen clouted out enough hits to accumulate eight runs Oder's left handed slants sailed past the Cricket batters and except for two innings when they scored a run in each the Food City delegates were kept away from the plate.

A return game with Hillsdale here resulted in a close and hard fought battle and one that was in strict contrast to the contest at Hillsdale. For the first time of the year Behling had to be relieved but Hunt proved to be equal to the burden entrusted to him and Albion's attacking front came to the rescue and pounded out seven runs while Hillsdale was restricted to six.

The biggest upset of the season thus far came when Marshall came over for a game. The Fishermen were opposed by Albaugh, who had previously set Sturgis down without a hit but ere four innings had been completed the no hit artist had been chased and his successor was being pounded hard by the Albion hitters, who rode rough shod over the prostrate forms of their guests while Behling made the county seaters virtually eat out of his hand. When the game was declared to be concluded the summary showed that the Fishermen had collected sixteen hits for a total of thirteen runs while the Sageman got only one man to third and not a man across the scoring station.

Albion's closest call came at Sturgis in the sixth game of the season. The Fisherites were a trifle over confident and when Oder failed to display his usual form the hitters seemed to experience difficulty in getting started but when defeat seemed to be their lot the hitters came to life and made things interesting by tying the count at nine all and finally winning out 10-9 to ring up the sixth consecutive win of the season.

DEBATE AND ORATORY SQUAD

Standing row—Hembdt, Williams, Pitkin, Pahl. Seated row—Robinson, McCulloch, Coach Fairman, Gregory, Spiegel.

Debating

After an unusually extensive and hard-fought series of debates, Albion has emerged the victor in the majority of her forensic contests for the past season. Upon summarizing the results of the season, we find that Albion has had twelve debates. Ten of these were decided upon judges decisions, Albion securing six wins over such teams as Battle Creek, Eaton Rapids, Springport, Hillsdale, and Marshall upon two occasions. The four teams that beat Albion were all from much larger schools, Battle Creek, Kalamazoo Normal High, Hastings and Ann Arbor. The two remaining debates were conducted in the English style, allowing the audience vote to determine the victors. One of these debates, although on an opposing team's platform was won by Albion, while the other one was lost by a few votes.

At the start of the season there were but two veterans, Pitkin of last year's squad and Williams who had two years of previous experience. However, so much excellent material was uncovered in the tryouts that it was determined to have a squad of eight instead of the usual six, so that more men might receive experience. The squad was chosen from a field of about fifteen and comprised Williams, Pitkin, Gregory, Hembdt, McCulloch, Pahl, Spiegel and Robinson.

From this number many different teams and combinations were chosen, but the two that functioned for the greater number of debates were: Hembdt, McCulloch and Pitkin for the affirmative and Pahl, Hembdt, and Williams for the negative. Gregory also received a letter for his participation in debates.

Albion will lose three of her best debaters by graduation this year, Pitkin, Hembdt and Pahl, but it is hoped that from the remainder of the squad and from some of the material developed by the inter-class debates, that another successful team will be found. Much of the credit for this years successes belongs to Coach B. C. Fairman who has labored hard and earnestly with the team.

In the final of the series of interclass debates held during the past year the Junior team composed of Elizabeth Hahn, George Andrews and William Robinson won from the Sophomore team composed of Katharine Robinson, Nathaniel Fillmore and Harrold Spiegel. The Juniors, who were coached by Milton Williams, had previously eliminated the Seniors while the Sophs coached by Marvin Pahl, had put out the Freshmen. The interclass debate championship of the high school thus goes to the class of "27".

Oratory and Declamation

Unusual interest was shown in oratory this year. Albion joined both the State and National Oratorical Associations and finished the season with a good record.

The local contest of the State Association was held in March, with ten contestants in declamation and three in oratory. Robert Gregory placed first in the former, delivering "A More Perfect Union" by G. W. Curtis. William Pitkin, with his oration, "Justice To Japan", won the latter. At the sub-district contest held at Olivet, April 9th, Albion's representatives took third and second places respectively, in what was considered one of the best district meetings ever held.

In the National Constitutional Oratorical Contest, Milton Williams was selected to represent Albion. He won the district meet at Charlotte, April 15th, and placed near the top in the state finals held in Grand Rapids, May 4th.

As Gregory and Williams will be with us another year, Albion expects to achieve additional recognition in oratory next season.

The Student Council is the leading organization of the school. The Council has for its purpose the developing of a fine school spirit and the fostering of high ideals of citizenship in the school. It proposes to unify the faculty and the student body and to make each student sincere and honorable.

The council is made up of six representations from each of the three upper classes, making a total of eighteen members. Meetings are held, the first and third Monday of each month and there is always a faculty advisor present.

The Student Council of this year has accomplished a great deal and are deserving of much credit. The Union plan for buying admissions to school activities was introduced, duty officers were placed in the corridors to keep order, changes in the Council Constitution were made, several high school parties were conducted by the council and a Hand-book of Information was realized by this organization.

This group should be honored and admired by all high school students for these people are doing much toward making Albion High a better and perfect school.

Girls' League

President.....	Esther Hoaglin
Vice President.....	Elizabeth Hahn
Secretary.....	Bernadette Condon
Treasurer.....	Josephine Gale

The purpose of the Girls' league, now a recognized organization in Albion High School, is to develop and promote a more democratic relation among the girls of the school.

The League is separated into three groups, the Booster committee, the Athletic committee, and the social committee. At the head of each group is a chairman and an assistant chairman who attend to the work which may come under their particular committee.

The League sponsors girls' parties, and this year took over the sale of basketball tickets as well as the appointing of a house keeping committee to see that the assembly room was put in order before and after assembly programs.

Athletic Board

President.....	Dean Herriff
Secretary.....	Myron Ellis
Treasurer.....	Mr. Lords

The Athletic Board is the body which controls the financial side of the athletics in the High School.

It is composed of Mr. Harrington, Mr. Harton, Mr. Lords, Coach Fisher, and the student managers of the various teams.

The Girl's Glee Club

President.....Helen Lines
 Treasurer.....Elizabeth Winfield
 Secretary.....Josephine Gale

This organization has met regularly every Tuesday and has put on two assembly programs and also a program for the Parent-Teacher's Association. The club has had numerous social functions and has accomplished much under their leader, Mr. Umfleet.

The Boys' Glee Club

President.....Floyd Densmore
 Vice-President.....Dean Herriff
 Secretary-Treasurer.....Dickerson Nowlin

Because the annual operetta was necessarily canceled this year this organization was left without any definite accomplishments to its credit although they have taken part in two assembly programs and have done helpful work in furthering their own musical talent.

Hi-Y

President.....	Clifford Ott
Vice President.....	Myron Ellis
Treasurer.....	Norman McCarty
Secretary.....	Robert McCulloch

The Hi Y club is an organization for the boys in high school, who with the aid of Darrel Decker of the college Y. M. C. A. and Mr. Lords are striving to create, maintain, and extend throughout the school and community, high standards of Christian character.

Its slogan, Clean Living, Clean Speech, Clean Athletics, Clean Scholarship, is often referred to as the "Four C's".

The club meets every Wednesday evening at the High School or home of one of the members. Although newly organized this year the club has put through a very effective program and promises to become one of the active clubs in the school.

Thalian Club

OFFICERS

President.....	Alberta Wochholz
Vive President.....	Dick Nowlin
Secretary-Treasurer.....	Josephine Greenman
Advisors.....	Miss McCune and Miss Shea

The Thalian Club, founded by the Cast of the Breeze Play, "The New Poor," is an organization for the purpose of promoting more interest in High School dramatics. It is the aim of the Club to increase the High School stage facilities and to study the development of the Drama. This Club is responsible for two chapel programs a semester and is given the privilege of giving one evening program for the benefit of the organization.

The Junior-Ex cast, not in the picture, are now members of the Club.

Refreshments were served at the close of the program.

ALL HIGH SCHOOL HARD TIMES' PARTY

The all-high school Hallowe'en party held Friday, October 30, was a great success. Each class was responsible for some stunts and the main features of these were: The Sophomores rode forth on kiddie cars to battle at the game of polo with croquet mallets. The Juniors dramatized the dancing school scene of "Penrod" and the junior amateur orchestra played a few popular songs. The Senior stunt represented the program of a stock company from a local theater and opened with a pantomime entitled, "Proposals to a Vamp" in which the cave man was successful. Following this Winfield Cole, a graceful seniorita, tripped his stuff to the strains of an accordin as a take off on a Spanish dance. There were several inter-class and faculty relays and Miss Pratt captured the prize offered to the best dressed girl.

CHRISTMAS PROGRAM

As was the usual custom the Christmas program was in charge of the Seniors. An impressive candle service opened the program. Floyd Densmore rendered a splendid vocal solo, "There's a song in the Air" by Aley Speaks. Dickens' "Christmas Carol" was next dramatized by about twenty members of the class. Among those performing were William Pitkin as Scrooge; Harry Morse as Bob Cratchett; Myron Ellis as Marley's Ghost; Katharine Rood as the Spirit of Christmas; Ralph Cure and Don Watson played similar parts to the latter. At the close of the play Winfield Cole in the role of Santa Claus distributed useful and amusing gifts to the faculty and candy canes to those in the audience.

BREEZE PLAY

The annual Breeze Play was presented Friday, November 20, in the high school auditorium and was a big success. The name of the play was "The New Poor," a hilarious farce in three acts and was exceptionally well played. The cast was as follows:

Grand Duke.....	Dickerson Nowlin
Count Ivan.....	Myron Ellis
Prince Vladimir.....	Frank Dean
Princess Irina.....	Esther Hoaglin
Amos Wellby.....	Marvin Pahl
Mrs. Wellby.....	Alberta Wochholz
Alice Wellby.....	Grace Bray
Connstance Wellby.....	Maxine Teller
Betty Wellby.....	Clara Rogers
Mary Mandsley.....	Josephine Greenman
Kirk O'Farrell.....	Lester Dunn

ALL HIGH SCHOOL PARTY

An all-high-school party was held Friday, January 8 in the gym. Professor Judson of the College entertained the audience with several feats of magic. Following this, the senior quartet, composed of Myron Ellis, Floyd Densmore, Dean Herriff and Winfield Cole rendered some exceptionally good selections. The evening's entertainment was concluded by dancing, during which light refreshments were served.

JUNIOR EX

The Junior Ex. was presented March 26, in the High School Auditorium. Preceding the comedy which served as the second part of the program, Milton Williams, Junior class president, gave an address of courteous and cordial welcome, to the large audience. George Andrews read an essay, "Face Value," and Martha Farley gave an oration, "Discontent as an Element of Progress." Genevieve Cranson played a violin solo. The play, "Are You a Mason" was filled with comical situations and wholesome humor. The cast included the following people:

Frank Perry.....	Frank Dean
Mrs. Perry.....	Grace Bray
Mrs. Bloodgood.....	Elizabeth Hahn
Amos Bloodgood.....	Harry Kavanaugh
George Fisher.....	William Robinson
Hamilton Travers.....	Milton Williams
Lottie.....	Ruth Penzotti
Ernest Morrison.....	Jack Dean
John Halton.....	Marc Sacket
Annie Bloodgood.....	Amy Lemons
Lulu Bloodgood.....	Geraldine Caldwell
Fanchon Armitage.....	Elizabeth Dibble
A Policeman.....	Allen Philp
Mrs. Halton.....	Florence Bunday

THE HONOR BANQUET

The annual Honor Banquet that is tendered to the Honor students of Albion High school was held May 22, in the Community room. Mr. Harton acted as tosatmaster and introduced Mrs. P. P. Serio, president of the Albion Federation of Women's Clubs, who gave a short address of welcome. Mr. Umfleet provided the musical number, following which the main address of the evening was given by Dean Robert Williams of Albion College. The snappy program, of which Mr. Fairman was chairman, was closed with the high school Victory Song.

HIGH SCHOOL BANQUET

The high school banquet of 1926 was an affair that will long be remembered by the students that attended it. The program as well as the decorations carried out the spirit of the old nursery rhymes. The gym was turned into a fairyland where any Mother Goose character might have dwelt. The toasts were all inspired by one jingle or another and were aptly applied to modern times. Following the program dancing was enjoyed for the remainder of the evening.

Jokes

Dick N.—“Did Clara tell you the truth when you asked her age?”

W. Cole—“Yes.”

Dick—“Well, what did she say?”

Windy—“She said its none of my business.”

Sears and Roebuck Co. received the following letter:

“Dear Sirs: Send me your catalogue of electric battereys.

Yours truly,”

“P. S Never mind, you need not send it. I have changed my mind.”

Willie—“Papa?”

Mr. Robinson—“Now what?”

Willie—“Why didn't Noah swat both flies when he had such a good chance?”

Mr. R.—“You go to bed, young man.”

F. Densmore—“I have a terrible rumbling on my stomach. Its like a wagon going over a bridge.”

R. Cure—“It's more likely that truck you ate for breakfast this morning.”

“Pat” Ellis—(of Mr. Lords) “I know how they find new planets, but how do they know their names?”

Miss Krotzer—“Can you prove that the square on the hypotenuse is equal to the sum of the squares of the other two sides, Laurence?”

Dutch Osmun—“I don't have to prove it. I admit it.”

Miss McCune—“Harry, did your father write this essay?”

H. Hoaglin—“No, Ma'am. He started it, but Mother had to do it all over again.”

E. Hoaglin—“Well, I finally got into the movies.”

E. Nagle—“How?”

Esther—“Paid the usual 25 cents.”

H. Morse—“Your teeth are like pearls.”

J. Gale—“And who is Pearl?”

Neighbor—“So your father thinks a lot of your new brother, does he?”

B. C. Fairman, Jr.—“Yeh. He gets up in the middle of the night just to take the kid for a walk.”

Miss Burkit—“What shape is the earth?”

R. Conklin—“Round.”

Miss B.—“How do you know it is round?”

Red—“All right, it's square then. I don't want to start an argument.”

Coach Fisher—(to Fred Bundy)—“Have you had any experience in football?”

Fred—“Well, I've been hit by two autos and a truck.”

While you are reading this, Henry Ford is making \$10.

Miss Holmes—“Why was Adam made first?”

“Bunk” Garfield—“To give him a chance to say a few words.”

J. Dean—“How are you this morning?”

F. Dean—“Not a bit like myself.”

Jack—“I congratulate you.”

Ed. Henderson—“I can read your thoughts.”

Esther H.—“Then what makes you sit so far away?”

Prof. Pahl—“Who were the three wise men?”

Dutton—“Stop, Look and Listen.”

Mr. Oderkirk—"Clara, who sat on that freshly painted bench in the garden?"
Clara O.—"Floyd and I."
Mr. O—"Well, you must have ruined your clothes, both of you."
Clara—"No, I didn't."

Diner—"Waiter, what kind of meat is this?"
Waiter—"Spring lamb, sir."
Diner—"I thought so. I've been chewing on one of the springs for an hour."

She—"Now what are you stopping for?"
He (As car comes to halt)—"I've lost my bearings."
She—"Well at least you are original. Most fellows run out of gas."

Waiter—"We do our cooking by electricity."
Diner—"Well, take this egg out and give it another shock."

Man—(rushing up to the drug clerk) "My Heavens! You gave my wife arsenic instead of sleeping powder."
Clerk—"That's right, I did. You owe me fifteen cents more."

"Aint nature grand?"
"Well, spring it"
"She gives us all faces, but she lets us pick our own teeth."

B. Condon—"Our teacher is teaching us the rudiments of money spending."
Her mother—"Well, she might just as well teach a fish to swim."

He bought some tires that "smile at miles," but they burst out laughing, so now he uses the street cars.

Gosh—"My uncle choked to death and I was supposed to stay home from school today."
"How Come?"
"He was eating horse meat in a restaurant when somebody shouted out 'Whoa!'"

"He mixed syrup with his beans,
He had done it all his life,
He didn't like the flavor,
But it held them to his knife."

Bobbie Mc.—"I want to buy a couple of pillow cases."
Clerk—"What size?"
Bobbie—"I don't know but I wear a size seven hat."

Traffic Cop—"Hey there! Don't you know you can't turn around in the middle of the street?"
B. Condon—"I think I can make it all right."

Lady—"Oh, that big dog is not the one I advertised for. My dog was a fox terrier."
Jimmie Slight—"Your dog is inside o' dis one."

Minister—(on way to church)—"My boy, don't you know it's wicked to fish on Sunday? What will your father say?"
C. Ludlow—"Well, you can ask him he's on the other side."

Miss Humphry—"Stella, name a bird that is now extinct."
Stella O.—"Our canary. Our cat extincted him."

Myron E.—"Why does that dog sit there and watch me all the time?"
Dutch Osmun—"I expect you've got the plate he usually eats from."

Grace B.—"O, Clifford, how lovely of you to bring me those flowers. How sweet they are, and how fresh. I do believe there is a little dew on them yet."
Cliff. O.—"W—well, yes, there is, but I'll pay it tomorrow."

"Let's Talk About the Weather"

Do you recall that line in Gilbert & Sullivan's opera, The Pirates of Penzance? Whether you do or not the weather is always a handy subject of conversation, as witness the usual greeting of friends and acquaintances and especially when we are having extremes.

We are all warmed up now and next winter we'll all have goose flesh and it's a pity we can't store up some of this for use next Christmas time but nature didn't plan it that way so the best bet we have now is to store up the products of the warmth and sunshine against that chilly time.

As we have changing seasons, so we have the changing ages of man and as it is wisdom to store the products of summer against the rigors of winter, so it is wisdom to store up the surplus vigor and skill of robust manhood against the winter of declining strength. The wise man does this. Are you wise? We can assist you to save.

WHY TEACHERS GO INSANE

1. I didn't hear the question.
2. Shall we write on both sides of the paper?
3. I had it, but left it at home.
4. I didn't get that far.
5. I have no paper.
6. May I go sharpen my pencil?
7. Somebody's swiped my book.
8. I didn't understand the assignment.
9. I've brought the wrong book.
10. But I had unexpected business arise last night etc., etc.

**Wear Shoe Styles That Are
Coming In—Not Going Out!**

This store anticipates fashion, and shows the new styles while they are new. By the time one fashion theme becomes common-place, we have replaced it with something newer.

It costs no more to wear Rogers' shoes, and have the new styles first.

WALTER H. ROGERS

The Annual Call of the Wild

Summer vacation days are always looked forward to with keenest anticipation. It is then that cares are put aside.

With outfits new from head to foot, luggage fresh and glistening, we "hit the trail" by boat, train or auto to the seashore, lakes, mountains or out in the country where Nature bids us welcome.

These recurring respites from yearly routines give us fresh impetus to go back to our jobs more appreciative of the opportunity before us.

As we work, so let us play; put our "all" into it! And get the most out of it!
